

MT2030 Climate Solutions Summit

The 2022 Mountain Towns 2030 Climate Solutions Summit brings together key stakeholders from our mountain and outdoor communities to collaborate on achievable solutions that accelerate a collective movement to zero-carbon emissions.

Location/Dates:

Breckenridge, Colorado

Tuesday, September 20 - Thursday, September 22, 2022

Who Should Attend:

The Summit will host attendees from local government electeds, staff and sustainability teams, resorts, businesses, community leaders, nonprofits, and others.

Session Location:

Sessions will be held at Breckenridge's Riverwalk Center and in facilities throughout the core of Historic Breckenridge, all within a 5-10 minute walk. Dress is casual. Bring comfortable shoes and appropriate clothing to be walking outdoors between sessions.

Transportation To Breckenridge:

Breckenridge is 104 miles west of Denver International Airport.

Transportation from DEN to Breckenridge is available through Epic Mountain Express shuttle for a discounted rate starting at \$63 each way.

Getting Around Breckenridge:

We are encouraging everyone to walk, we will not provide transportation between venues. Keep in mind that we are located at 9600' in elevation and take care of yourself.

All meetings and events will be within walking distance of MT2030 lodging accommodations in Breckenridge. Sessions will be held in venues throughout the core of Historic Breckenridge, all within a 5-10 minute walk of each other.

If you need special assistance in getting around Breckenridge please contact us.

Meals:

Light breakfasts and lunches will be provided Tuesday-Thursday.

Dinners will be on your own.

About Breckenridge:

Located at 9600' above sea level, Breckenridge is approximately 90 miles west of Denver. Visit GoBreck.com for more information on visiting Breckenridge.

Weather:

Weather in the high country in September can vary from snowing to beautiful sunny 70+ degree days. Evenings will be cool. Plan accordingly when packing.
